Starting Monday, May 7th, all students will need to leave their iPads at school. They will still have access to use the iPads during the school day, but iPads will not be able to leave the school. Please send chargers in with the iPads.

All students are required to check in an official Apple brick and cord with their iPad. Official check in will begin on Monday the 14th. No off brand bricks and cords will be accepted. New Apple cords and bricks can be purchased through the school/district for \$19 each (\$38 for both).

All technology fees should be assessed by the 17th of May. Students with outstanding fees will not be eligible for end of the year trips. Fees can be paid at the middle school.
