Good evening 7th grade parents,

This message is to remind all 7th grade parents and students that the 7th grade is fully implementing mastery based grading in all core content classrooms beginning this quarter. This means that students' grades will be fluctuating based on their effort and understanding in each content area on daily and weekly quizzes and their retest attempts afternoons in the tutoring sessions being held on Mondays, Tuesdays, Thursdays, Fridays from 3-4 pm. Please refer to the letter that was sent home with your student last week for further information or contact the school with further questions. Thank you!

Sincerely,

The 7th grade team
